Senator Hall would move to amend, Mr. President. (See FA277 on pages 986-87 of the Legislative Journal.)

SPEAKER BAACK: Senator Hall.

SENATOR HALL: Thank you, Mr. Speaker, members. Mr. Clerk, would you...what is the AM on that?

CLERK: It is not an AM, Senator.

SENATOR HALL: Ah, this is the floor amendment.

CLERK: Yes, sir.

SENATOR HALL: This one is one of those other notorious, unprinted amendments.

CLERK: It is not printed.

SENATOR HALL: Thank you. The proposal is simply this. It would not allow, if you are going to increase the half cent for purposes of property tax, personal property tax reduction, it doesn't allow the half cent from the sale of motor vehicles to flow into the Highway Trust Fund, very popular amendment that may generate a little debate, but I want to go on record saying that if this is the route we end up taking, then that additional half cent does not flow that way. I was asked in the lobby if I had an amendment that related to gas tax and I said no. I forgot about this. This doesn't relate to gas tax, in my opinion, but I didn't mean to misinform anybody back there, so I stand, I guess, partially corrected with regard to that. That is all this amendment would do. It says the money doesn't flow into the Highway Trust Fund from the increase in the sales tax.
